What is CAPE?

CAPE is a non-profit community-based foundation dedicated to enhancing Canton's commitment to excellence in public education. We seek to promote innovative and productive programs that challenge students and teachers to achieve their true potential. Our goal is to raise money in order to fund grants to teachers for such things as innovative programs in literacy, science, technology and student enrichment, as well as curriculum materials and professional development, all not funded in the operational budget.

Donations are encouraged to support and honor excellence in Canton Public Education. Please detach and return with your check payable to:
